AMUSEMENTS.—Thatcher, Primrose and West's minstrel company opened at Boyd's last night to an audience that filled all parts of the house. Their performance excelled anything in that line that has ever been seen here. They call themselves the monarchs and are entitled to the full extent of the distinction. It is not exaggeration to assert that Thatcher, Primrose and West have practically distanced every competitor in point of improvement and excellence. They have made a surprisingly pleasing departure and gone so far into legitimate classical fields that there is hardly a vestige of what has always been termed negro minstrelsy left. Their show is the neatest, cleanest and best yet put before the public.—Omaha Daily Bee.

MINES FOR ASIA.—A few days since, three miners, John McLean, Jerry Ryan and Frank St. John, left Virginia City en route for Corea where they are under contract to work in the mines in that distant Asiatic kingdom. ## What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? 'Now he is famous.' Here is what Mr. Baird said: 'While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug-stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy.' 25 and 50 cent bottles for sale by G. C. Thaxter.
